## FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- 1. Defendant is reportedly a citizen of Korea.
- 2. The United States alleges that defendant is in this country on conditional residency status. There is an immigration detainer pending against him. The issue of detention in this case is therefore essentially moot, as the defendant would be released to immigration custody if not detained in this case.
  - 3. Defendant and his counsel offer no opposition to entry of an order of detention.
- 4. Upon advice of counsel, defendant declined to be interviewed by Pretrial Services. Therefore, there is limited information available about him.
- 5. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.

## It is therefore ORDERED:

- 1. Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- 3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the pupose of an appearance in connection with a court proceeding; and
